Ideally Situated

Cliff House Cottages are four one-bedroomed cottages located in the old quarter of Seahouses on the North Northumberland coast.

Just 100 yards from the bustling harbour, they each offer every modern convenience in a very traditional location.

Seahouses is a working village, the boats in the harbour predominantly serve the tourist industry taking visitors to the nearby Farne Islands to see the flocks of Puffins, Terns, Guillemots and other visiting and native seabirds, along with the resident Grey Seal colony.

A few of the boats still operate in the fishing industry and land Lobsters, Crabs and other local sea farye which can be purchased just around the corner from Cliff House Cottages at Swallow Fish - a Rick Stein local food hero, Swallows is now the only working Kipper Smoke house in the village and offers a wealth of seafood from their onsite shop.≠

Northumbria A Secret Kingdom

A place to relax and unwind

All have well equipped kitchens with fridge freezer, electric cooker, microwave. The lounges provide a comfortable venue to catch up and review the days activities, watch TV or a movie or just generally chill out.

There is a communal laundry room equipped with washer, drier, iron & board and drying rack.

We accept dogs in all Cliff House Cottages. The cottages are fully non-smoking.

The close proximity of the sea brings with it outstanding stretches of sandy beaches both North and South, an abundance of wildlife from marine to hedgerow favourites and a range of outdoor pursuits to enjoy from kayaking to fishing, sailing, kite surfing and diving.

Good walking here too and inland in the Cheviot Hills, or along the Coastal Path. A historians delight - Castles abound - Bamburgh, Dunstanburgh, Alnwick, Lindisfarne, just four of the 10 to be found within 25 miles of the cottages.

Cliff House Cottages are well equipped and furnished

Each is slightly different, but all have the same facilities, and are well laid out with a dining kitchen to the ground floor. No 2 has a bedroom upstairs, the others are all single storey. All have a ground floor shower room. Bedrooms are doubles, tho' No 4 is flexible and can be Super-king sized double bed or twins and No.2 has two additional guest beds in the upstairs bedroom.

Any of Cliff House Cottages are ideal for couples or the single traveller. Its a great base to explore the area, whether you enjoy walking, golfing, cycling, diving or just sight-seeing there's something for young and young at heart. Close to good pubs, eateries, shops and just about everything you could wish for in a seaside holiday home.
